

TEKALEGN MEKONEN

Mobile App and Web Developer

EXPERIENCE

Front End Developer -Intern

Siinqee Bank- Addis Ababa, Ethiopia

Jul 2022 - Sep 2022

I actively contributed to the front-end development of an Issue Tracking and Task Management system, utilizing my skills in HTML and CSS for a seamless user experience.

Mobile App and Web Developer

Amhara Bank- Addis Ababa, Ethiopia

Nov 2023- Present

- Developed and maintained ABa Mobile Banking and Merchant apps for iOS and Android.
- Designed, developed and maintained ABA Mobile Banking dashboard and ABa merchant dashboard
- Developed and implemented features based on business requirements.
- Integrated diverse payment gateways, APIs, and local providers into the bank's mobile app, ensuring seamless transaction processing.
- Developed features for multiple payment methods, including cards, mobile wallets, bank transfers, and QR code payments, to meet diverse customer needs.
- Ensured payment integrations adhered to industry standards, implementing security measures such as tokenization and encryption to safeguard sensitive data while maintaining compliance with banking regulations and security trends.

About Me

Passionate mobile app(Android and IOS) developer with expertise in Dart, Flutter, Bloc state management and Clean Architecture. Proficient in Web development, JavaScript React.js, and Next Js. Adept at problem-solving. Strong communication and teamwork skills drive my success.
