EXPERIENCE

Front End Developer -Intern

Siinqee Bank- Addis Ababa, Ethiopia

Jul 2022 - Sep 2022

I actively contributed to the front-end development of an Issue Tracking and Task Management system, utilizing my skills in HTML and CSS for a seamless user experience.

System Engineer, Core Banking dep't

Siinqee Bank- Addis Ababa, Ethiopia

Sep 2023 - Nov 2023

As a system engineer, I specialized in managing and maintaining the Core Banking system, specifically Oracle FLEXCUBE. My responsibilities included ensuring the smooth operation and performance of critical financial infrastructure.

IT Officer Trainee

Amhara Bank- Addis Ababa, Ethiopia

Nov 2023- Present

In my role, I oversee the maintenance of the bank's mobile application, address bugs, integrate diverse payment APIs, and orchestrate the release of new application versions to enhance functionality and user experience. Additionally, I develop new mobile applications and management dashboards.
