

# TEKALEGN MEKONEN

Mobile App & Web Developer

Addis Ababa, Ethiopia | ☎ +251 915 665 329 | ✉ tekamek25@gmail.com

## PROFILE SUMMARY

Highly motivated and results-driven software developer with 3+ years of experience in mobile and web application development. Skilled in building user-centric solutions for Android, iOS, and the web using Dart, Flutter, JavaScript, TypeScript, React.js, and Next.js. Proven track record of delivering high-quality, secure, and scalable digital products — including banking applications serving 100,000+ users. Strong focus on clean architecture, problem-solving, and collaboration across agile teams.

## EXPERIENCE

### Junior Application Developer — Amhara Bank, Addis Ababa Jan 2025 - Present

- Developed and maintained ABa Mobile Banking and Merchant apps used by 100,000+ customers.
- Integrated 8+ payment gateways and multiple local providers, ensuring secure and seamless transactions.
- Delivered 20+ new features across Mobile Banking & Merchant applications based on business requirements.
- Contributed to 4+ major project releases by collaborating with cross-functional stakeholders.
- Strengthened security by implementing tokenization and encryption aligned with industry and banking standards.

### Frontend Developer — Good Seed CDC (GS&DS)/Heritage Conservation Associates HCA Ethiopia, Los Angeles/ Addis Ababa Dec 2024 – Present

- Designed, developed, and maintained the company's website and web applications for optimal UX and performance across devices.
- Built 4+ independent web applications used by different organizations, improving workflow efficiency.
- Developed 30+ product features to support core business processes.
- Collaborated with a team of 8 developers, ensuring timely and high-quality software delivery.
- Actively engaged in React Front End Web App Development Projects, providing expertise to enhance and deliver critical web applications.

### IT Trainee (Mobile App & Web Developer) — Amhara Bank, Addis Ababa Nov 2023 – Jan 2025

- Contributed to the development of the ABa Mobile Banking app and ABa Merchant app for Android and iOS.
- Designed and supported the Mobile Banking Dashboard and Merchant Dashboard.
- Integrated multiple APIs and payment providers to enable cards, wallets, bank transfers, and QR payments.
- Collaborated with backend teams to implement high-performance and scalable features.

### Front End Developer Intern — Siinqee Bank, Addis Ababa Jun 2022 – Aug 2022

- Contributed to the UI design and front-end development of an Issue Tracking and Task Management System.
- Built responsive pages using HTML and CSS, improving usability and interface consistency.
