TEKALEGN MEKONEN

MOBILE APP AND WEB DEVELOPER

+251915665329

tekamek25@gmail.com

Addis Ababa, Ethiopia

I am a highly motivated and passionate software developer with over 2 years of experience specializing in mobile and web application development. Proficient in building intuitive and user-centric applications for Android and iOS using Dart, Flutter, Bloc state management, and Clean Architecture. I bring expertise in web technologies, including JavaScript, React.js, and Next.js, to deliver high-quality and scalable solutions. With a strong focus on problem-solving, communication, and teamwork, I consistently strive to enhance user experiences and exceed project goals.

EXPERIENCE

Front End Developer -Intern

Siinqee Bank- Addis Ababa, Ethiopia

JUN 2022 - AUG 2022

- I actively contributed to the front-end development of an Issue Tracking and Task Management system, utilizing my skills in HTML and CSS for a seamless user experience.
